

Greentech Capital Advisors announces the promotion of Derek Bentley to Partner

NEW YORK, March 10, 2016 – Greentech Capital Advisors (“GCA”), a leading investment bank and asset management firm focused exclusively on the Sustainable Infrastructure sector, today announced that Derek Bentley has been promoted to Partner.

Jeff McDermott, Managing Partner of GCA said, “We are very excited to have Derek become a Partner in GCA. Derek has a unique combination of principal investment and investment banking advisory experience and a tireless work ethic and has played an instrumental role in establishing GCA as a leading advisor for renewable power generation transactions. Under his leadership, renewable assets have become a meaningful part of our overall Investment Banking business and the firm’s growth.” Over the past two years alone, GCA has advised on transactions representing nearly 7 gigawatts of global renewable power generation capacity.

Derek Bentley said, “I am excited and honored to be given the opportunity to serve as a Partner in GCA. Over my three years at the firm, I’ve seen firsthand how the company’s differentiated focus and advice have added significant value for Fortune 500 clients and entrepreneurs alike on a truly global basis. We are increasingly working with clients on second and even third transactions, which is a testament to GCA’s strategy. We continue to expand our business and look forward to giving our clients the excellent advice that they need to navigate the Sustainable Infrastructure space.”
