

Greentech Capital Advisors is pleased to announce the following transaction:

**GCA's Client:**

PowerPHASE, LLC (“PowerPHASE” or the “Company”), a Jupiter, FL-based company that is a global leader in combustion turbine technologies with more than 100 patents pending globally, has closed the initial funding of a growth capital raise, led by Energy Impact Partners. By focusing on combustion turbine air efficiency, PowerPHASE has been able to unlock previously untapped potential from combustion turbine power plants, cost-effectively improving output, fuel efficiency, flexibility and performance. The Company has developed and commercialized an advanced modular gas turbine technology, TurboPHASE, which utilizes an air-injection system that increases the capacity and efficiency of gas-fired turbines.

PowerPHASE has a proven management team with leading expertise in gas turbine design and a deep industry network. Core members of management each have 15+ years of experience at companies such as GE, Pratt & Whitney, Power Systems Manufacturing and Alstom. Bob Kraft, CEO and Chairman, also founded Power Systems Manufacturing, a gas turbine technology company that was sold to Alstom in 2007.
