

# Greentech Capital Advisors Announces the Expansion of its European Advisory Business with the Addition of Two New Partners – Diego Pignatelli and Laurent Dallet

Zurich | January 16, 2018

Greentech Capital Advisors (“Greentech”), the leading investment bank and asset manager dedicated exclusively to sustainable energy, technology and infrastructure, announced today that Diego Pignatelli and Laurent Dallet are joining the firm as Partners.

Jeff McDermott, Managing Partner of Greentech, said, “We are delighted to have such high caliber professionals join us as Partners. Our mission is to deliver superior outcomes to clients. We believe both Laurent and Diego, with their extensive transaction experience and deep industry expertise, will provide exceptional value to clients.”

Diego Pignatelli brings over 30 years of investment banking experience across diverse industries and an extensive European network to the firm. Diego was most recently Group Managing Director and Chairman of EMEA Investment Banking at UBS. About joining Greentech, Diego said, “Greentech’s industry focus provides unique access for companies that are already in sustainable infrastructure or are seeking to transition into this dynamic sector. I’m excited to help expand and strengthen the firm’s global platform. Climate change is real and Greentech is purpose-built to help clients tackle the biggest issue of our generation.”

Laurent Dallet brings over 15 years of M&A expertise in the energy sector and a strong European relationship network to Greentech. Laurent was previously Chief Financial Officer of ENGIE E&P International, and before that spent six years as Head of M&A and Project Financing at ENGIE Energy Services, where he played an active role in the development of its international activities. Laurent said, “Greentech is a global investment bank with unique industry knowledge and superior execution capability. I look forward to growing our European network and advising clients in the renewable energy, sustainable technology and infrastructure sectors.”

Damien Sauer, Head of Greentech’s European office, said, “Throughout their careers Laurent and Diego have demonstrated a superb understanding of, and commitment to, providing strategic M&A advice. They are experienced M&A advisors with relationships with key decision makers across Europe. We look forward to working with them and are confident that our clients will benefit greatly from their ingenuity.”

## About Greentech Capital Advisors

Our mission is to empower companies and investors who are creating a more efficient and sustainable global infrastructure. We are purpose-built to ensure that our clients achieve success. We have deeply experienced senior bankers and investment professionals who are sector experts and understand our clients' industry and needs. We reach a vast global network of buyers, growth companies, asset owners and investors, and thereby provide clients with more ways to succeed through a deeper relationship network. We have directly relevant transaction experience which enables us to find creative structures and solutions to close transactions. We are an expert team of 55 professionals working seamlessly on our clients' behalf in New York, Zurich and San Francisco and through a strategic partnership in Japan. Our team of experienced bankers and investment professionals provides conflict-free advice and thoughtful, innovative solutions, and we do so with an intensely focused effort that does not stop until our clients achieve success.
